

Welcome to an exciting journey we will be undertaking this year!

We will be reading the bible together over the course of the year. It doesn't matter what translation you use just whatever you're comfortable with. As you flick through the pages of this booklet you will see the date and the recommended scriptures for the day. You will see the acronym SOAP, which stands for Scripture, Observation, Application and Prayer. Buy yourself a journal or cheap exercise book to write down SOAP each day. Then follow the simple process on the next page to get the most out of your reading.

For a lifetime of growth, continual learning is essential. If you follow this simple process over the course of the year. I guarantee it will revolutionise your Bible reading, it has mine! For some of you this is going to be a discipline you will need to work at. Reading the Bible in a structured manner or journaling your thoughts isn't your thing? That's how I used to be, but the benefits of following this process has been so rewarding I wouldn't want to stop it now. So give it a try, I think you're going to love it.

Love and Blessings

Let me show you how to get the most out of your reading

SCRIPTURE:

Before you start reading your daily text, ask the Holy Spirit to bring home to your heart one text in particular, it's a prayer that He loves to answer. Copy out the verse.

Why is it important that you focus on one verse rather than several? Because by the end of the year, you'll remember none of them. But if you focus on just one a day, by the time December 31 rolls around you will have 365 gems packed away in your heart.

OBSERVATION

Write down what is the message God has highlighted to you. Take into consideration the context, setting and situation. Make an observation of what's happening, who's affected, what's taking place.

Application

After you've carefully observed what the text says, take some time to write out how you will be different as a result of what you've just read. How does the verse apply to your life? Application is a critical part of the process, for without it, all you're doing is amassing facts, trivia, and bits of information. *Application is what seals God's Word to our hearts*

PRAYER

Finish your time with a thoughtful prayer to God. Ask him to help you apply what you've just learned Writing out our prayers can be a wonderful way of cementing what's just happened in our mind and hearts.
